

Weekly Update

Friday 20th October

We have nearly completed our first half term- hasn't it gone quick! We have a busy week next week with parents' evenings and prepping for Harvest Assemblies for KS1 and KS2 parents (don't worry Early Years we have things in mind for you next half term).

HARVEST

In school we have been enjoying learning some harvest songs to celebrate this time of year when crops have been gathered from the field and we can reflect on the food that we have. It is an opportunity for us to show our support to the Redditch Food Bank.

Next week parents are welcome to join our Harvest Celebrations by attending our assemblies. If you wish to attend, please come into school via the main office, find a seat and enjoy our much-loved harvest songs.

After speaking to the Food Bank, they would be grateful for any canned food. So have a look in the back of your cupboard for beans, tinned potatoes or other foods that may make up a meal e.g., noodles. If you would like to donate, please give your items to the class teacher on Wednesday. Many thanks.

Wednesday 25th October Harvest Assembly- 8.45

Thursday 26th October Harvest Assembly- 8.45

Reception Phonics workshop

Tuesday 24TH October 2.45 please join us via the front office as the meeting will be held in the hall.

Click here if you need a reminder about how to pronounce those sounds.
