

Weekly Update

Friday 13th June

Congratulations to all our Year 1 and Year 4 pupils who have recently completed their Phonics Screening Check and Multiplication Tables Check. We are incredibly proud of how they approached these assessments—with calm confidence, determination, and a positive attitude. Results will be shared with families as part of the end-of-year reports, which will be issued in July.

SPORTS DAY

Monday 16th June Y1-Y4 Sports day 9.15

Friday 20th June Nursery and Reception Sports day 9.15

The gates will be opened no earlier than 9.10 with access to the site from the Colts Lane pedestrian gate. We will monitor the weather and let you know if there are any changes to the date or time although the weather looks promising.

TRANSITION

This half term, our staff are focused on preparing the children for the next stage of their learning journey. The Year 4 team has been in contact with the children's new schools, and some pupils have already had the opportunity to visit their future school. For those moving into a new year group within our school, while we are not yet confirming class placements for next year, many children are beginning to build relationships with their future teachers where possible.

In July, there will be two transition days where children will spend time with their new teacher and classmates. These days are a valuable opportunity to help them feel more confident and comfortable about the year ahead.

Please be assured that we are doing everything we can to support each child and ensure they are ready to thrive in the next step of their learning journey.
