

# Weekly Update

Friday 15<sup>th</sup> September 2023

Something amazing happened this week. As we have our new hall ceiling, we have been able to have the ropes out. Check this out! The children climbed, held different acrobatic positions, and smiled. In other news our reception completed their first week of full-time education- and they are a delight. And our final big welcome of this term goes to the new nursery children who have joined us this week.

## BOOKS

This summer we spent a lot of our summer sorting through our books. Free reader books have been re banded to ensure that they have reading age-appropriate books and the Read Write Inc books have been reintegrated into the book banding system. Staff have attempted to match books but often it takes a little bit of time to get it spot on as many pupils forget what they know- thank you for your patience.

Year 4 had a final sort through yet another cupboard of books, and this evening pupils will be coming home with a book that they can keep forever.

## ATTENDANCE

At Arrow Valley we believe that for our pupils to reach their true potential, good attendance is essential. Well, this week has been terrible- so much sickness, buses late and a few holidays has brought our attendance down to 92%. Let's hope for better health next week.

## Social media

Miss Adams has requested that you if you are not following us on Facebook check us out. I quote- 'I'm not angry just disappointed that we only have 251 followers. Please spread the word.
